## NOTICE

It has been observed that a number of obsolete and unused two wheelers are lying in the basement. In addition, large numbers of two wheelers are also parked in the basement and surface parking area. Presently, there is no system to check the entry of two-wheelers inside the complex. Needless to say, in a large Society, entry of unverified two-wheelers is a security hazard. Moreover, From time to time, the CRWA has also been receiving complaints regarding wrong parking of two wheelers.

From the point of view of security, and to streamline the parking of two-wheelers it has been decided by the Governing Body, CRWA to take following measures immediately.

1. All owners of two wheelers to submit the details of two wheelers to tower executives by 05.11.2019. The details will include:-
  - a. Vehicle number and type of vehicles.
  - b. Parking number where the vehicles are being parked.
  - c. Flat No. of the owner and allotted parking number.
2. After receipt of above information, the Tower Executives will compile tower-wise data & submit to the President / Secretary of CRWA.
3. CRWA will arrange to issue sticker to two-wheelers as is being done in case of four-wheelers.
4. No vehicle without sticker shall be allowed entry in the campus.
5. For vehicle entering and parked without sticker, fine/penalty will be imposed.
6. Owners of all obsolete & unused vehicles will remove the said vehicles from basement by 15-11-2019
