Ref. No. 14/2019-20.....

Date 14.9.2019.....

NOTICE

With effect from 15th September 2019, the following Traffic and Parking regulations shall be implemented.

1. All vehicles inside Cosmopolis complex on circular road will move clock-wise
2. All pedestrians walking on the circular road inside Cosmopolis complex will anti-clock wise. This is essentially required to avoid any type accidents
3. It is observed that vehicles with regular parking stickers are being parked in visitors parking place. It is once again reiterated that visitors' parking are meant for visitors only and no other vehicles will be allowed to be parked in the earmarked visitor parking.
4. To stream line the visitors' Parking, any visitor visiting any member/resident in the complex will be given a visitor parking sticker of that particular block where the visitor intend to visit. The sticker will be issued by the Security after ascertaining from the owner/resident of that flat where the visitor intends to visit. Thereafter will move with his/her vehicle to the concerned tower and hand over the sticker to the tower security. The tower security will check the sticker and identify the parking place.

The present system of penalty for wrong parking will continue until further order.

This issues with the approval of the President.
