Ref. No. 30/2019-20.....

Date 3/10/19.....

## NOTICE

Dear all Residents,

Marking of walkway and vehicle way on the internal road of cosmopolis complex is under progress. It will be completed within next 3-4 days. As the residents come out from the respective towers, they will see arrow marking for walk-way anti-clockwise & vehicle way clockwise. From safety point of view, we request all residents to walk anti-clock wise within the pedestrian/walking portion of the road. But if any resident for any reason wants to walk clock-wise, he/she may do so within the designated walking space. Needless to say none of the walkers will bump into one another if everyone keeps to left while walking. All residents are requested not to walk in the portion marked for the vehicle playing.

Thanks

*R.K. (L)*
