Ref. No. 40/2019-20

Date : 17/10/2019

Misuse of Lift by the service personnel like house maid, car wash boys, delivery boy, shifting of construction materials etc. has been come to our notice. So, it is proposed the followings:-

1. The service lifts has been removed from the group and shall be used for service personnel, pets, garbage collection from house, any material required of individual flats. In case of breakdown of same lift, the other two lifts can be used by them till the service lift becomes operational.
2. The other two passenger lifts are in a group and exclusively to be used for the residents of the flats only.
3. Residents can also use the service lifts in case of emergency. The security staff will strictly monitor and ensure compliance.
