Ref. No. 159/2019-20

Date : 21/2/2020

NOTICE

1. A Governing Body was convened on 12.02.2020 to discuss the following points and take appropriate measures.

a. The malfunctioning of the Sewerage Treatment Plant (STP) of the society and the resentment of the residents on the poor quality of water supplied for flushing the toilets.

b. The risk in managing the electrical installations and its maintenance.

c. The hurdles in obtaining Government Clearance for digging two borewells for the society to meet eventuality of water crisis or meet any emergency.

After detailed deliberation, the GB decided to form the following three committees to study, asses, Plan and recommended remedial measures.

(a) Committee for STP

(b) Electrical Committee

(c) Borewell Committee

The Governing Body also decided and authorized GS to seek assistance of Residents (Member/Associate Member) of CRWA, having expertise/knowledge/Experience on the concerned field.

2. In view of the above decision, all residents are requested to come forward to assist the EB/Governing Body to form the committees and take appropriate remedial measures to address the risk and problems being faced by society.

Esteemed Residents (Members/Associate members) who are willing to spare their valuable time for the service of their society may submit their names to undersigned (Mob no- 9937297940) by 24th February 2020.

Thanking You All.
