Ref. No. 225/2019-20

Date : 25/7/2020

NOTICE

As all the residents are aware, the Covid-19 situation in Bhubaneswar is rapidly deteriorating. The daily infection numbers are increasing every day. In view of this worsening scenario, the Security Committee of the CRWA reviewed the situation in Cosmopolis in its urgent meeting held on 24.7.2020. Considering the present situation the Security Committee took the following decisions to be implemented with immediate effect. **These decisions will be in force till 31.07.2020** which will be reviewed thereafter depending on the emerging situation.

- i) It is observed that guests/visitors are coming in large numbers to residents' flats. To reduce the chances of Corona contamination by people coming from outside, we strongly appeal to the residents not to invite guests and entertain visitors to their flats unless it is absolutely necessary.
- ii) Please avoid the repairs/servicing of household gadgets such as A.C., Fridge, Washing Machines, Micro Ovens, Water Purifiers etc. unless it is absolutely unavoidable.
- iii) No major repairs/renovation of flats are allowed till 31.07.2020. However, in exceptional situations the Committee will examine and allow, if required.
- iv) Car washing boys are not allowed to enter Cosmopolis up to 31.07.2020.
- v) Many residents including Senior Citizens have voluntarily stopped their cooks/house maids since long. We once again request all residents to dispense with the services of their cooks/housemaids as most of them are coming from high- risk areas nearby.
- vi) Temporary Passes/ Identity Cards for entering Cosmopolis campus will be issued to Milk vendors, Newspaper boys and Vegetable vendors. They have to use them compulsorily and come only during the timings prescribed for them in our earlier notice.

- vii) Drivers will not be allowed to enter into towers to collect keys from the flats or hand over keys at the flats. They will pick up residents from surface parking or basement parking and drop them at the same places.
- viii) Guest Houses inside Cosmopolis are not allowed to be operated. However, guest on Govt. duty coming to these Guest Houses will be permitted in special cases with the approval of the Security Committee. Those guests must furnish their travel history and personal contact details on a self- declaration form at the main gate for our record.

2. We would like to inform the residents that the frequency of sanitization of common areas (including lifts) of Cosmopolis has been increased in the light of heightened risk. The residents in turn, are requested to keep their flats clean and sanitized scrupulously.

3. We reiterate that the above restrictions are effective till 31.7.2020 and will be reviewed thereafter. Appropriate decisions as required, will be taken thereafter.

4. We request all residents to comply with all the precautions such as social distancing (six feet minimum), frequent hand washing and mask wearing to keep Covid 19 at bay. May all residents stay safe, secure and healthy.
